

IIMC-Team in Response to COVID-19

Locked Down & Super Cyclone - AmPhan, March-June'202

20th March - We all are overwhelmed with the Corona Virus Pandemic. The world slowly shutting down, in the mean time I have cancelled my all international conferences. We all are in Panic, however I am sure this situation will be over soon and everything will be OK. In the mean time we have prepared one short pictorial report on our Dhaki Campus, which I have attached with this message, please go through it and keep in touch always.

24th March - Our Globe is confronting with an Unfamiliar Bug, we have no Vaccine, no Medicines, our Body and Immune System does not know how to manage it. To overcome this Critical, Catastrophic Situation Only the Remaining option is not to be infected. Let us all Stay at Home, let's not meet the Bug-COVID-19, let's do not become Infected, Govt has officially declared 100% Locked Down. Our IIMC Projects will remain closed till further notice. Let's stay safe and I believe, surely we shall beat this Virus soon.

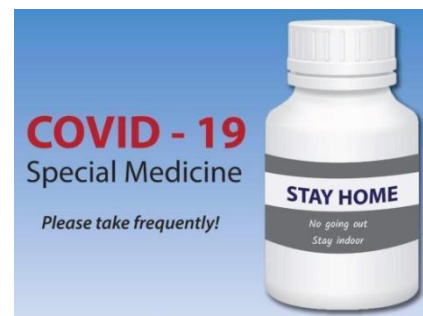

26th March - Let's make Strong Isolation, Social Distancing, and staying at Home is better than staying in the Hospital. We need to Beat the Bug, Prevention and Public Health is the Answer, Till we get a Proper Specific Vaccine. "Stay in Precautions to Stay Healthy"

30th March - We know, all Medicos are working hard in the Hospital, please keep it on. Church, Mosques, Temples are closed, Universities, Colleges, Schools are off, World is shutting down their Doors - Airports. The Doctors made Modern Temples - HOSPITAL will remain open. God in form of Doctors is working 24x7. Thank you all for taking care of Mankind and soon, we shall overcome this catastrophic situation.

4th April - We know "Small is Beautiful" and now we are learning "the Smallest is the Most Powerful". Our country has decided 100% Locked Down for next 3 weeks. Today I visited Prof. Chowdhury Sir and Rathin Das, most senior friends of our IIMC Mission. I joined in KPC Hospital to give inspirational and motivational Orientation and over all I have decided to be available if any of our IIMC members need any support. I'm medical doctor, I have a car and I can drive, please don't hesitate, let me know if anyone needs support. If it required we shall form IIMC Support Team, for community service. Take good care of yourself. This critical period will be over soon.

5th April - After 10 days 100% locked down in India, especially in rural areas, Social, Medical & Nutritional everything is reaching in a critical stage. We IIMC Team have decided to support as much possible Medically, Socially and Emotionally. Next Days we shall reach around 200 rural poor and destitute families with Rice, Lentils, Potatoes, Soybean, Sugar, Biscuits, Soap, Sanitizer, Medicaments and other Essential Materials. Any support and contribution will be very helpful. We shall keep you informed and updated regularly. Thank you very much for being with us every time.

8th April - We the Homo-Sapiens are in the War with a Virus. This moment we are so helpless and to Save Ourselves we need to hide in the Confinement of our Home. The Mankind so powerful, but so Vulnerable to a sub-microscopic organism. We are super intelligent, we have Supersonic Fighter, Rocket, Satellite, Atomic Bomb, but we don't know how to handle an Inferior Sub Biological Element. We are not yet Enough Clever.....!

10th April - IIMC Members and Volunteers, Shopping in Whole Sale Market and Preparing Food Packages for Poor and Destitute Families in response to covid-19. Crisis and 100% Locked Down.
